

Adopt-a-Grandparent * Fall/Spring 2019-2020

Adopt-a-Grandparent (AGP) meets every other Monday night from October through April.

This is an intergenerational service project for Mount Olivet's 7th & 8th grade students. As a junior high group we participate in activities with residents at Mount Olivet Home. After most nights at the Mount Olivet Home we will go as a Junior High group to dinner. This is a great way to become involved at church and participation in AGP fulfills your required Confirmation service hours.
