

MEET OUR MUSIKGARTEN TEACHERS!

COLLEEN ROESS

Colleen Roess (pronounced "race") is a preschool music specialist who loves working with the Cherub Choir, the Mount Olivet Preschool children, and the Musikgarten families with children, birth through 3 years. Teaching early childhood music is her passion, as she enjoys working with the youngest members of the community. "All children are musical... dancing, making music with simple instruments, and vocalizing to simple rhythm patterns are some of the fun you can expect in our Musikgarten classes!" In her free time, she enjoys singing in the adult Mount Olivet choir, reading, cooking, and hiking.
